Our pizzas and the processes involved in preparing them have been checked by Coeliac UK and verified through annual audits.

FOOD ALLERGIES – UNFORTUNATELY, WE CAN'T GUARANTEE THAT ANY OF OUR FOOD IS 100% ALLERGEN FREE

We cook up a storm, preparing all of our delicious food in the same place, so there's a risk of cross contamination with allergens, especially milk as we use lots of dairy cheese. If you, or anyone with you today, has a food allergy, please check our Dietary Information Booklet and consider carefully whether you dine with us.
