Section 1: Welcome and Vision

Dear Parents,

The school first opened in 1876 and many original features remain. Our pupils experience the full breadth of a modern curriculum with ample opportunity to reflect on life in the past and our cultural heritage in a comfortable, stimulating environment.

We strive to create a secure and happy atmosphere within which the needs and interests of every pupil can be addressed. Our goal is for all children to achieve their highest potential and to gain the life skills necessary to thrive in an ever changing society.

Parents and carers are welcome visitors in our school and, at all times, good teacher/parent co-operation and communication are encouraged. All visitors to our school must enter by the main entrance and report to the school office where you will be asked to sign in and wear a visitor's badge. There is a disabled access with ramp at the opposite side of the building (West entrance).

The information given in this booklet offers only a glimpse of school life in Ancrum Road Primary School. Should you require further details, please do not hesitate to contact the school office. We can also arrange an appointment with a member of the management team.

We aim to ensure all learners achieve their full potential in a climate where everyone is valued equally and where pupils, parents and teachers work in partnership to provide the highest quality educational provision.

Yours sincerely

Sharon McQuillan
Head Teacher

Section 2: School Ethos

In our school we are committed both through the ethos and the curriculum to provide appropriate opportunities for the development of pupils' spiritual, moral, social and cultural values. This will be undertaken in partnership with parents and will take account of the individual needs of pupils and the views of parents.

The school welcomes and encourages diversity and individuality while emphasising our common commitment to moral values such as honesty, respect for others, compassion and justice. It is a fundamental principle of our school that all who are involved in the life of our school have the right to be respected as individuals and carry the responsibility to act in a considerate and respectful manner towards others.

We implement the City Council policies for Equal Opportunities, Anti-Bullying and Anti-Racism and ensure that all pupils have access to the full range of educational experiences available within the resources of the school. We are firmly committed to the elimination of any form of discrimination on the grounds of race, religion, gender or disability.

In accordance with policy, all bullying and racist incidents are formally logged.

For the first three weeks in the first term (August – early September), Primary 1 will be dismissed at 12.15pm.

Office Hours

The school office is open from 8.30am - 3.30pm.

Please help us by making routine telephone calls within office hours. The answering machine is switched on for your convenience when the school office is unmanned. Please do leave a message and we will return your call as quickly as possible.

Parents and carers are welcome visitors in our school and good teacher/parent co-operation and communication are encouraged. Appointments can be made by contacting the school office.

Parents are kept informed by written communication and through a newsletter. We also use Twitter and our updated website to share information.

Class Organisation

The organisation of classes may vary from year to year dependent upon certain factors such as the school roll and the number of teachers allocated to the school that session.

At any stage of the school, pupils may be in a straight class which comprises of pupils from the same stage e.g. all Primary 2 pupils or they may be part of a composite class which comprises of pupils from more than one stage, for instance a class with some Primary 2 and some Primary 3 pupils.

You should be confident that the professionalism of the staff in the school will ensure that your child will always work within a programme appropriate for his/her age, ability and aptitude.

Section 4: School Policies & Practical Information

School Uniform

There is an expectation for all pupils to wear the correct school uniform. This helps us in our aim of encouraging children to take a pride in their appearance and to have respect for their school.

BOYS	GIRLS
Grey shorts/trousers, white, blue or grey shirt White polo shirt with school badge, tie, black shoes PE-shorts, T-shirt, gym shoes	Grey skirt/trousers/pinafore White, blue or grey shirt White polo shirt with school badge, tie, black shoes PE-shorts, T-shirt, gym shoes
Please note that football strips are not to be worn. All items of clothing should be labelled. This assists greatly in recovering lost property.	

School Clothing Grants

If parents are in receipt of Income Support, Income based Job Seekers Allowance, Income Related Employment and Support Allowance, support under Part VI of the Immigration and Asylum Act 1999, Child Tax Credit or Working Tax Credit and an annual income of less than £16,105, the Authority will consider one application per year for a grant towards the cost of purchasing essential clothing to enable their children, up to the age of 16, to attend school. The school clothing grant payment will be made through BACS transfer into a nominated bank account or paid by cheque.

Application forms can be made online at:

<https://mydundeeaccount.dundee.gov.uk/secure-info> or are available from the school office or from Dundee House.

Section 4: School Policies & Practical Information

School Meals

School lunches cost £2.00 per day and all children are provided with a lunch menu by Tayside Contracts.

All children staying for lunches within school will eat in the dining hall. Safety flasks containing hot food may be brought to school, but not the glass vacuum type, which may be dangerous, as they are liable to break. Glass bottles should not be brought to school.

Please inform us in writing if your child has any special dietary needs so that arrangements can be put in place to accommodate their needs.

The dining room is supervised by support staff at all times. Please note that the school does not approve of pupils going out of school to buy their lunch due to safety reasons.

Free School Meals

Free school meals are available to all pupils in Primary 1 – 3 from January 2015. For all other stages, free school meals are available to pupils whose parents are in receipt of Income Support, Income based Job Seekers Allowance, Income Related Employment and Support Allowance, Support under Part VI of the Immigration and Asylum Act 1999, Guaranteed Pension Credit, or in receipt of Child Tax Credit only and have an annual income of less than £16,105 or Working Tax Credit and have an annual income of less than £6420.

Application forms can be made online at <https://mydundeeaccount.dundee.gov.uk/secure-info> or are available from the school office or from Dundee House.

Instrumental Tuition

Tuition fees are currently free and instrument hire is £83.00 per year.

Section 4: School Policies & Practical Information

Emergency School Closure Procedures

In exceptional circumstances the school may be unable to function normally. The school may be affected by severe weather or power failures. We shall do all we can to let you know about the details of closure and re-opening through the local radio, press, text messages and letters home. You can be assured that we will never send a child home without first checking that there is an adult at home.

Enrolment & Placing Requests

Parents of prospective Primary 1 pupils who reside in the school's catchment area are asked to register their child's name at the school office between December and the February of the year the child starts school. The child's full birth certificate and a proof of address, in the form of a Benefit Book, Council Tax letter or recent (within two months) utilities account must be shown.

Parents of children living out with the school's catchment area, who wish their child to attend the school, are asked to make a placing request. Forms can be obtained from Customer Services, 50 North Lindsay Street, Dundee.

Parents making a successful placing request for the school will be notified of this by Dundee City Council. A planned transition programme, with opportunities for new Primary 1 pupils and parents to learn more about and become familiar with the school, takes place in the summer term.

Parents of children other than Primary 1 beginners may make an appointment to see the Head Teacher regarding enrolment procedures, however all placing requests must be made to the Education Department. Customer Services, 50 North Lindsay Street, Dundee.

Prospective parents who wish to come to see the school are invited to telephone the school office to make an appointment to visit.

Section 4: School Policies & Practical Information

School Absence procedures

Please contact the school as soon as possible if your child is absent. Please send a note to school with your child on their return explaining the reason for the absence.

If your child is absent and no contact is made by you, a text message will be sent from the school. If three days pass without explanation for an absence an Education Welfare Officer will arrange to visit you and your child at home.

The following points are included in the Education Authority's Attendance Initiative

- If your child is ill and cannot attend school please contact the school before, or as soon as possible after 9.00am on the first day of absence.
- If the absence is planned, e.g. a hospital appointment, we ask you to let us know prior to the absence.
- If your child is absent for more than three days please call again or write to tell us.
- If you have not contacted the school to say your child is absent and have received a text message please contact us as soon as possible.

Regular attendance at school ensures your child is receiving the continuous education they are entitled to. Dundee City Council asks that, where possible, parents do not take children out of school for family holidays during term time. In accordance with Scottish Executive guidelines for pupil attendance, most holidays are recorded as unauthorised unless there is proof from an employer that this is the only time when holidays could be taken.

A guide for parents about school attendance explains parental responsibilities with regard to children's attendance at school – <http://www.scotland.gov.uk/Publications/2009/12/04134640/0>

Section 4: School Policies & Practical Information

Appointments

If your child has an appointment during the school day or needs to leave school for any other reason, please put this in writing. We would appreciate it if routine appointments could be made outwith school hours but understand that this isn't always possible.

If your child does need to leave school during the school day they must be collected by a parent/carer at the main reception. In the interest of safety we cannot allow children to leave the school unaccompanied.

Accidents/Illness at School

In the event of a child having an accident or becoming ill at school we will attempt to contact the parents so that they can collect the child from school. However, if we cannot contact the parents, we will contact the Emergency Contact whose name and telephone number should be given to us by the parents.

Therefore it is very important that parents inform the school of the name, address and telephone number of the Emergency Contact and advise the school immediately of any changes that occur.

General Safety

1. Pupils are not allowed to leave the school grounds during interval
2. Pupils staying for school lunches or packed lunches must not leave the grounds during lunch time
3. To ensure the safety of all children, children should behave responsibly both in the playground and within the school

Section 4: School Policies & Practical Information

Promoting Positive Behaviour

An important part of school life is learning to work and play with other children. Certain qualities are needed to ensure this happens. These are tolerance, politeness, good manners and respect for others and their property. We ask your co-operation and support in developing these qualities and working with us to promote our new Positive, Restorative Behaviour Policy which was implemented in October 2015.

Within our new system, children have the opportunity to take part in termly positive behaviour events if they demonstrate positive behaviour. They also have the opportunity daily, to become Platinum Stars and be rewarded with certificates for demonstrating good behaviour, manners, work or attitude which is exemplary.

Our school rules make the school a place where everyone is valued, feels safe, feels secure and has their needs met. All pupils work with their teachers to create a set of class rules.

Our House Points System encourages acts of 'good citizenship' and promotes teamwork with houses working towards end goals.

School Concerns and Complaints Procedures

If you want to talk to your child's teacher or a member of the senior staff it is generally better to make an appointment. This ensures that the member of staff is available, that classes are not disturbed and that pupils' lessons are not affected.

If you have made a complaint to the school and you are not satisfied with the outcome, you can have your complaint reviewed by a senior officer in the Education Department.

Education Department publications can be found at:

<http://www.dundecity.gov.uk/department-publications/Education>

Section 5: Parental Involvement

Close co-operation and communication between home and school is vital. This partnership is, of course, a two-way process.

We encourage parents/carers to join us for concerts, selected assemblies, drama productions, fundraising events and curriculum information meetings throughout the session. We value your assistance on our school trips and helping with a range of other school activities. There are also other opportunities such as open afternoons, to which parents are invited into school to observe their children at work in class.

Homework at Ancrum Road is seen as an integral part of the school curriculum and will be given to your child in most weeks of the school year. We value your co-operation and interest in your child's homework, as this can be a great source of encouragement to your child. We promote the use of sharing jotters and learning journals, which are sent home monthly, and we hope that you will share the content with your child. The sharing of information identifies next steps in learning, develops pupil confidence and values pupil achievement and success.

Parent Contact Evenings to discuss pupil progress are held once a year. These take the form of arranged appointments to ensure parents/carers have a meeting with the class teacher. These evenings provide an opportunity for the exchange of information which can be of significant benefit to a child's education and wellbeing.

However, should matters of concern arise at other times in the session, parents are welcome to approach the school and every effort will be made to arrange a meeting with the appropriate member of staff. Likewise, teachers or promoted staff may wish to invite parents in to discuss pupil performance.

The Ancrum Parent Partnership for parents/carers meets regularly and represents all the parents of pupils at our school. New members are always welcome.

Section 6: The Curriculum

Curriculum for Excellence 3-18

Curriculum for Excellence has been introduced to raise standards of learning and teaching for all pre-school to 18 year olds. It aims to help prepare children and young people with the knowledge and skills they need in a fast changing world. As part of Curriculum for Excellence all children from pre-school to the end of S3 will receive a rounded education known as a Broad General Education. Curriculum for Excellence is all about bringing real life into the classroom and taking lessons beyond it.

Through the experiences we provide we want our children to become Successful Learners, Confident Individuals, Responsible Citizens and Effective Contributors. We are committed to providing children with a broad general education and focus on eight curriculum areas.

Expressive Arts	Health & Wellbeing	Languages	Mathematics
Religious & Moral	Sciences	Social Studies	Technologies

Progress in learning is indicated through curriculum levels as detailed below.

Level	Stage
Early	The pre-school years and P1 or later
First	To the end of P4, but earlier or later for some
Second	To the end of P7, but earlier or later for some
Third & Fourth	S1-S3, but earlier for some

Expressive arts: The inspiration and power of the arts play a vital role in enabling our children and young people to enhance their creative talent and develop their artistic skills.

Health and wellbeing: Learning in health and wellbeing ensures that children and young people develop the knowledge, understanding and skills which they need now and in the future to help them with their physical, emotional and social wellbeing.

Section 6: The Curriculum

Science: Science and its practical application in healthcare and industry is central to our economic future, for our health and wellbeing as individuals and as a society.

Social Studies: Through social studies, children and young people develop their understanding of the world by learning about other people and places both past and present, societies, their beliefs and values.

Religious and moral education: Religious and moral education includes learning about Christianity, Islam and other world religions, and supports the development of beliefs and values.

Languages: Knowing other languages and understanding other cultures is a 21st century skill set for students as they prepare to live and work in a global society.

Mathematics: Mathematics equips us with the skills we need to interpret and analyse information, simplify and solve problems, assess risk and make informed decisions.

Technologies: The range of subjects in technical education has changed significantly over the last two decades and now includes craft, design, engineering and graphics.

Section 6: The Curriculum

Getting it Right for Every Child (GIRFEC)

The GIRFEC approach is about how staff in all children's services meet their needs by working together to ensure that children reach their full potential.

www.scotland.gov.uk/gettingitright

Religious Observance

Through the ethos and curriculum, we provide opportunities for pupils to explore morals and values. We help learners develop their own beliefs, values and a responsible attitude to others. Pupils are encouraged to develop an understanding of Christianity and other religions. Pupils develop skills of reflection, critical thinking and how to act when making moral decisions. The school welcomes diversity and individuality while emphasising our common commitment to moral values such as honesty, respect for others, compassion and justice. It is a fundamental principle of the school that all who are involved in the life of the school have the right to be respected as individuals and carry the responsibility to act in a considerate and respectful manner towards others.

Under the terms of the Education (Scotland) Act 1980 "any pupils may be withdrawn by his/her parents from instruction in religious subjects and from religious observance" Parents wishing to exercise this right should discuss with the Head Teacher.

Sensitive Issues

Part of our curriculum involves teaching the children about issues which could be considered sensitive i.e. sexual health and relationships education or drugs and alcohol awareness. Parents should be assured that whenever these topics arise, we will communicate as appropriate with home. On some occasions we may send a letter just to raise awareness that specific issues are to be covered, on other occasions we will actively seek permission to include your child/ children in a series of lessons. If any parent is concerned about what is being covered within the curriculum however, they should feel free to speak to a member of staff about this.

Section 6: The Curriculum

Assessment

Assessment takes place continuously in every classroom within a process known as formative assessment. Teachers observe and talk to children and read their written work to build up a picture of where each child is in their learning. From this, the children are given information about and helped to see how they can improve and what they need to practise. Pupil performance is also measured using standardised assessments which allow measurement of value added by the school as well as giving diagnostic profiles of pupils' strengths and development needs.

Baseline Assessment is carried out in Primary 1 using the PIPS computerised assessment, and this is repeated at the end of P1. In P4 and in P6 pupils undertake INCAS assessments, another computerised assessment which gives standardised information about pupil progress which teachers use to plan next steps in learning.

Every pupil has an individual Work Folio started in Primary 1. This contains examples of work from a wide range of activities and is added to as a child moves through the school.

Reporting to parents

Throughout the year, teachers report to parents in a number of ways relating to the progress of the children. This takes the form of Parents' Evenings, Primary 7 Profiles, formal reports at the end of the school year and also opportunities for further meetings with staff throughout the year if required.

Section 6: The Curriculum

Transition to Primary 1

Whether your child is transferring from nursery to Primary 1 or from Primary 7 to secondary school or indeed transferring stage through school they will be entitled to support during this process. School staff make every effort to ensure that important information about your child, their learning and progress and any additional support they require is communicated to the teacher at the next stage of learning.

The school encourages parents to discuss these changes and the senior management team will be happy to meet with you to allay any concerns you may have over the new arrangements for your child.

Transfer to secondary school

When your child is due to leave the school at the end of Primary 7, he/she will be allocated a place at their catchment school. The move from primary to secondary school can be a daunting step for pupils and parents. To make this time in the pupils' school career more comfortable, we work closely with secondary schools to provide a range of transitional activities throughout Primary 7. These include Primary School visits from secondary school staff and also a 2 day visit to the secondary school where pupils follow a secondary school timetable. Around this time, secondary staff meet with the Primary 7 teachers to discuss the needs of the children.

Section 7: Support for Pupils

Most children make satisfactory progress in school and their education can be fully supported by their class teacher. Some children may, however, need additional support to help them access learning in the classroom. Assessment and planning for their needs will be done through a Child's Plan which identifies their strengths, barriers to learning and what action or support required to meet their additional needs. A very small number of children with significant and long-term additional support needs may meet the criteria for a Co-ordinated Support Plan. These will be children who receive a lot of support from people outside education; for example, from health and social work staff.

Support for learning takes place in every class and is the responsibility of all staff in the school. All of our pupils are encouraged to work to the highest level of their ability and extra help is available for children who may require it to help them achieve their potential. The Head Teacher, teachers and other staff work closely to ensure that children and young people's individual learning needs are met.

The work of Support for Learning staff is co-ordinated by the Head Teacher, is regularly reviewed and is based upon pupil need. Support may be given within the class or within another setting, and may be within a group although it is always based upon the needs of the individual child.

The procedures and processes by which an individual child's needs are identified and addressed are set out in Dundee City Education Department's policy on Supporting Learners. Central to this is the assessment of need using a staged intervention model and the involvement of parents. We also maintain very valuable partnerships within education and with agencies beyond to support pupils who have additional needs of any kind.

To help assess the specific needs of any pupil who may require extra help the school is able to call upon the services an Educational Psychologist from Dundee Educational Psychology Service. Before such a step is taken, parents are always contacted and the reason for such a referral is fully explained and parental co-operation sought.

Section 7: Support for Pupils

As a parent/carer you can access a wide range of information with regard to additional support needs. The information is available both at your local school and on the Dundee City Council website on this internet page <http://www.dundee.gov.uk/education/support/>

The following are available for you at the above internet page.

- Assessing Additional Support Needs

Section 8: School Improvement

School Highlights/Achievements/Activities 2014-15

- Dalguise Residential Trip – Our P7 pupils had a very successful trip participating in physical challenges, problem solving and team building activities
- Challenging activities in Dundee for those P7s not attending Dalguise also developed a variety of skills in our pupils.
- Rotary Quiz: Our P7 team took part in the regional finals and performed extremely well
- A number of classes entertained and informed parents/pupils with whole class performances related to drama and music
- Our school football team had a successful year They finished joint top of the league with Barnhill but lost out to them narrowly in a playoff match for the trophy.
- A team of P5's and 2 P6's won the Banks trophy at the DISC in June.
- Our pupils were very successful in the Dundee Primary Schools Athletic Championships and Cross Country Races.
- Our P7s took part in a drama performance at Dundee Rep which was enjoyed by many parents, friends and school staff.
- Many classes raised money for and supported charities throughout the course of the year.

School Improvement Projects for 2015-16 are:

1. Improvements in Performance
2. Learning and Teaching
3. Curriculum Development
4. Meeting Learning and Well Being Needs
5. Improvement Through Self-evaluation

Additional information can be found in our Standards and Quality Report and The School Improvement Plan which are available from the school office.

Section 9: Extra Curricular Activities

Contact between the school and community is important and opportunities to strengthen links are encouraged. From time to time pupils visit local venues including Lochee Parish Church Guild to entertain. Links between the school and the Ancrum Outdoor Centre are strong and activities are arranged for our pupils with them. We also have links with Lochee Bowling Club and the local Boys Brigade.

Regular use is made of nearby Lochee Park and as we now have our own astroturf pitch we are able to enjoy a number of outdoor activities throughout the year.

The involvement of pupils in extra-curricular activities depends very much on the availability of personnel and expertise. Activities are led by teaching staff, Active Schools, external coaches and often lunchtime clubs are run by older pupils and staff.

In Session 2015-16 the following activities have been or will be offered:

- multisports
- girls and boys football
- netball
- basketball
- rugby
- dance
- fun in athletics
- athletics

Throughout the session we can be offered a variety of extra curricular classes for different ages and stages from Active Schools and other external and voluntary organisations. Information is shared when it is available for these activities.
